Employee Engagement and Culture Manager

Ref: 16168_1009133 **Date:** 8 – 12 November 2026 **Location:** Cairo (Egypt) **Fees:** 3500 Euro

Introduction:

In today's dynamic workplace environment, employee engagement and organizational culture are critical drivers of productivity, innovation, and employee retention. This Employee Engagement and Culture Manager training course equips professionals with the essential knowledge and practical tools to foster a high-performance, people-centric culture.

Participants will explore foundational principles of employee motivation, satisfaction, and communication as pillars of a thriving organization. The Employee Engagement and Culture Manager course explores real-world strategies and case studies that demonstrate how cultural development initiatives and employee wellness programs impact overall organizational performance.

Attendees will gain actionable insights into conflict resolution and the role of leadership in nurturing inclusive workplaces. Whether managing in-person or remote teams, this Employee Engagement and Culture Manager program provides robust frameworks for cultivating engagement across all levels of the organization. Learners will lead with empathy, strategic insight, and cultural awareness.
