Oil & Gas Project Finance: Legal Framework & Risk Allocation for Lawyers

Ref: 16199_1010419 **Date:** 25 – 29 January 2027 **Location:** London (UK) **Fees:** 5800 Euro

Introduction:

Oil and Gas Project Finance is a specialized area that demands a robust understanding of complex legal frameworks and strategic risk allocation. This Oil and Gas Project Finance: Legal Framework and Risk Allocation for Lawyers training course equips lawyers with the essential skills to navigate the financial agreements and contractual structures unique to the oil and gas sector.

Participants will explore the regulatory landscape, financing mechanisms, and risk mitigation tools pivotal in large-scale energy projects. The Oil and Gas Project Finance: Legal Framework and Risk Allocation for Lawyers course bridges the gap between legal knowledge and practical finance applications in the development of oil and gas projects. It emphasizes contract drafting, negotiation strategies, and dispute resolution related to project finance.

Lawyers will gain insights into protecting stakeholders' interests while ensuring compliance with international and local laws. Attendees in this Oil and Gas Project Finance: Legal Framework and Risk Allocation for Lawyers program will gain the knowledge and skills to support oil and gas projects with legally sound financial frameworks and effective risk management strategies.

Targeted Groups:

This Oil and Gas Project Finance: Legal Framework and Risk Allocation for Lawyers training targets professionals seeking specialized knowledge and skills:

- Corporate lawyers working with energy sector clients.
- Legal advisors are involved in project financing agreements.
- In-house counsel at oil and gas companies.
- Contract negotiators and risk management specialists.
- Legal consultants supporting infrastructure and energy projects.
- Regulatory compliance officers focused on finance laws.
- Project finance bankers seeking legal collaboration skills.
- Legal professionals aiming to specialize in oil and gas finance law.

Course Objectives:

Participants will achieve the following objectives by the Oil & Gas Project Finance: Legal Framework & Risk Allocation for Lawyers course completion:

Dubai - UAE: +971 4 450 5697
Istanbul - Türkiye: +90 539 599 1206
Amman - Jordan: +962 79 712 3347
