Emotional Intelligence Leadership Excellence

Ref: 121499_1035204 **Date:** 14 – 18 June 2027 **Location:** Casablanca (Morocco) **Fees:** 4500 Euro

Introduction

The Emotional Intelligence Leadership Excellence course equips professionals with advanced interpersonal and leadership capabilities essential for today's dynamic business environments. It explores how emotional intelligence in leadership drives effective decision-making, strengthens relationships, and enhances organizational performance. Participants will examine the core components of self-awareness, self-regulation, motivation, empathy, and social skills within a leadership context. The program emphasizes practical frameworks that support leadership communication, conflict resolution, and team engagement. It addresses how leaders can manage stress, influence organizational culture, and foster resilience in high-pressure environments. Participants will gain a structured understanding of how to apply emotional intelligence strategies to achieve leadership excellence and sustainable success.

Targeted Groups

This Emotional Intelligence Leadership Excellence training targets professionals seeking knowledge and skills:

- Senior managers leading diverse teams.
- Team leaders are improving workplace relationships.
- HR professionals managing employee engagement.
- Executives driving organizational culture.
- Project managers handling high-pressure environments.
- Business leaders are enhancing decision-making skills.
- Professionals transitioning into leadership roles.
- Consultants focusing on leadership development.
