High-Impact Coaching & Mentoring for Leaders Strategy

Ref: 121538_1036948 **Date:** 27 June – 1 July 2027 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4600 Euro

Introduction

In today's competitive, fast-evolving business environment, leaders will do more than manage performance—they must actively develop people and unlock their potential. This High-Impact Coaching & Mentoring for Leaders Strategy course equips leaders with advanced coaching and mentoring strategies that drive measurable impact at the individual and team levels. It focuses on building structured coaching frameworks, enhancing leadership communication, and aligning mentoring practices with organizational goals. Participants will explore how to foster accountability, improve employee engagement, and cultivate a high-performance culture through intentional development conversations. The program emphasizes the strategic integration of coaching into leadership practices to support succession planning and talent development. Participants will apply practical, results-oriented coaching techniques that deliver sustainable leadership effectiveness.

Targeted Groups

This High-Impact Coaching & Mentoring for Leaders Strategy training targets professionals seeking knowledge and skills:

- Senior managers leading diverse teams.
