Work-Life Balance Training Course

Ref: 15289_1062959 **Date:** 2 – 6 August 2027 **Location:** Johannesburg (South Africa) **Fees:** 5300 Euro

Introduction:

What does work-life balance mean? "Work-life balance is the lack of opposition between one's work and other life roles. It represents the state of equilibrium where the demands of personal, professional, and family life are balanced."

Why is maintaining a work-life balance important? In the competitive corporate culture many of us experience, achieving a work-life balance is critical for maintaining good health, enhancing productivity, and increasing job satisfaction.

Successfully integrating work and personal life can be challenging. Those who find their lives out of balance may face heightened risks of burnout, poor health, and absenteeism. Conversely, employees who achieve a healthier balance lead happier, more fulfilled, and more productive lives at work and home.

Targeted Groups:

- This work-life balance course is for individuals looking to improve their work-life balance.
- Office Managers are seeking to foster a supportive environment for their teams.
