Governance & Ethical Leadership Excellence Training

Ref: 121498_1073647 **Date:** 24 – 28 May 2027 **Location:** Zanzibar (Tanzania) **Fees:** 5300 Euro

Introduction

The Governance & Ethical Leadership Excellence training equips professionals with advanced knowledge and structured approaches to corporate governance, ethical decision-making, and responsible leadership practices. This course explores the evolving landscape of governance frameworks, emphasizing accountability, transparency, and sustainable leadership in modern organizations. Participants will gain insights into ethical leadership models, risk governance, and compliance strategies aligned with global best practices. The program addresses real-world governance challenges, including stakeholder management, organizational integrity, and regulatory expectations. It bridges the gap between theory and strategic application, ensuring participants understand how to embed ethical culture within corporate structures. Participants will lead with integrity while enhancing organizational performance and trust.

Targeted Groups

This Governance & Ethical Leadership Excellence training targets professionals seeking knowledge and skills:

- Senior executives responsible for governance oversight.
- Board members and directors.
- Corporate governance officers and compliance managers.
- Risk management professionals.
- Internal auditors and control specialists.
- HR leaders are focusing on organizational culture.
- Legal advisors in corporate environments.
- Professionals preparing for leadership roles.

Course Objectives

Participants will achieve the following objectives by completing the Governance & Ethical Leadership Excellence course:

Dubai - UAE: +971 4 450 5697
Istanbul - Türkiye: +90 539 599 1206
Amman - Jordan: +962 79 712 3347

- Understand core principles of corporate governance and ethical leadership.
- Analyze governance frameworks and regulatory requirements.
- Evaluate ethical dilemmas using structured decision-making models.
- Strengthen accountability and transparency practices.
- Integrate governance, risk, and compliance strategies effectively.
- Develop policies that promote an ethical organizational culture.
- Assess stakeholder expectations and governance responsibilities.
- Enhance leadership integrity and responsible decision-making.
- Identify governance risks and mitigation strategies.
