Innovative Leadership for High-Performance

Ref: 121533_1073909 **Date:** 16 – 20 August 2027 **Location:** Nairobi (Kenya) **Fees:** 5300 Euro

Introduction

The Innovative Leadership for High-Performance course equips leaders with advanced thinking models that drive sustainable organizational success. It explores how modern leadership practices influence performance, adaptability, and team productivity in dynamic environments. It emphasizes strategic leadership approaches that integrate innovation with execution excellence. Participants will understand how leadership decisions impact organizational performance and employee engagement. The program highlights how agile leadership and transformational leadership principles support continuous improvement. The overall focus is on developing leaders capable of creating high-performance teams and fostering long-term competitive advantage.

Targeted Groups

This Innovative Leadership for High-Performance training targets professionals seeking knowledge and skills:

- Senior managers aiming to improve leadership effectiveness in complex organizations.
- Team leaders are responsible for driving performance and productivity.
- HR professionals are involved in leadership development and talent growth.
- Project managers leading cross-functional and agile teams.
- Business owners seeking scalable leadership strategies for growth.
- Supervisors looking to strengthen employee engagement and motivation.
- Consultants focused on organizational transformation and leadership coaching.
- Emerging leaders preparing for executive and strategic roles.

Course Objectives

Participants will achieve the following objectives by completing the Innovative Leadership for High-Performance course:

Dubai - UAE: +971 4 450 5697
Istanbul - Türkiye: +90 539 599 1206
