Employee Affairs Management and Grievance Resolution Skills for Effective Organizational Performance

Ref: 121469_1078105 **Date:** 17 – 21 January 2027 **Location:** Dubai (UAE) **Fees:** 4600 Euro

Introduction

Employee affairs management and grievance resolution are fundamental pillars for achieving a productive, sustainable work environment that contributes to organizational goals and enhances institutional performance. In light of the increasing challenges faced by modern organizations, it has become essential to adopt effective strategies for managing employee affairs and resolving grievances that promote transparency, build trust among employees, and ensure fairness in procedures.

This course aims to develop the essential skills and knowledge required for HR officers and administrative leaders to apply best practices in human resource management and dispute resolution. It focuses on tools and strategies that enhance effective communication, support the development of regulatory policies, and achieve a balance between employee needs and organizational requirements.

The program includes case studies and practical applications to deepen understanding of the presented topics. Organizations will be able to improve institutional performance by creating a fair and motivating work environment that supports creativity and innovation and helps build a sustainable organizational culture.

Targeted Audience

- Human Resources and Employee Affairs Managers.
- Administrative Leaders in Organizations and Companies.
- Recruitment and Labor Relations Officers.
- Department and Division Managers.
- HR and Conflict Resolution Consultants.
- Business Owners and Entrepreneurs.
- Individuals interested in developing employee management and grievance handling skills.

Training Course Objectives
