Leadership Ethics and Professional Leadership Program

Ref: 121529_1080242 **Date:** 8 – 12 March 2027 **Location:** London (UK) **Fees:** 5800 Euro

Introduction

Ethical leadership has become a defining factor in organizational success, sustainability, and stakeholder trust in today's complex business environment. This Leadership Ethics and Professional Leadership program explores the principles, frameworks, and practices that shape ethical decision-making and professional leadership behavior. It examines how leaders influence organizational culture, manage ethical dilemmas, and align values with strategic objectives. Participants will gain a deeper understanding of integrity-driven leadership and its role in enhancing accountability, transparency, and performance. The training addresses real-world challenges leaders face when balancing ethics with operational demands and competitive pressures. Participants will lead responsibly and foster ethical excellence within their organizations.

Targeted Groups

This Leadership Ethics and Professional Leadership program targets professionals seeking knowledge and skills:

- Senior managers and executives.
- Team leaders and supervisors.
- HR and organizational development professionals.
- Compliance and governance officers.
- Project and operations managers.
- Public sector and NGO leaders.
- Professionals transitioning into leadership roles.

Course Objectives

Participants will achieve the following objectives by completing the Leadership Ethics and Professional Leadership course:

Dubai - UAE: +971 4 450 5697
Istanbul - Türkiye: +90 539 599 1206
Amman - Jordan: +962 79 712 3347
