Strategic High-Performance Leadership Training

Ref: 121489_1080953 **Date:** 7 – 11 March 2027 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4600 Euro

Introduction

The Strategic High-Performance Leadership training equips professionals with the advanced leadership capabilities required in today's competitive, rapidly evolving business environment. This course focuses on developing the mindset and practical understanding needed to drive organizational excellence and sustainable success. It explores the principles of strategic leadership, high-performance team building, and decision-making under complex conditions. Participants will gain insight into how leadership directly influences organizational productivity, innovation, and long-term growth. The program emphasizes aligning leadership strategy with business objectives to maximize efficiency and impact. Learners will lead with clarity, confidence, and measurable performance outcomes.

Targeted Groups

This Strategic High-Performance Leadership training targets professionals seeking knowledge and skills:

- Senior managers in corporate environments
- Team leaders and supervisors
- Project and program managers
- Business owners and entrepreneurs
- HR and organizational development specialists
- Government and public sector leaders
- Professionals preparing for executive roles

Course Objectives

Participants will achieve the following objectives by completing the Strategic High-Performance Leadership course:

- Understand principles of strategic leadership and organizational direction.
- Develop high-performance leadership skills to optimize the team.
- Apply leadership strategy to improve organizational performance outcomes.
- Strengthen executive decision-making in dynamic business environments.
- Enhance communication and influence in leadership roles.
- Build capabilities in performance management and accountability systems.
- Align leadership behavior with organizational goals and vision.
- Foster a culture of innovation and continuous improvement.
- Manage change effectively within high-performance organizations.
- Develop resilience and adaptive leadership thinking.
- Improve stakeholder engagement and executive collaboration.

Dubai - UAE: +971 4 450 5697
Istanbul - Türkiye: +90 539 599 1206
Amman - Jordan: +962 79 712 3347

- Integrate leadership frameworks for sustainable business success.

Targeted Competencies

Participants will gain the following competencies during the Strategic High-Performance Leadership program:

- Strategic thinking and leadership planning skills.
- High-performance team leadership capability.
- Executive-level decision-making proficiency.
- Organizational performance management expertise.
- Leadership communication and influence mastery.
- Change leadership and transformation ability.
- Problem-solving in complex business environments.
- Goal alignment and execution excellence.
- Emotional intelligence in leadership practice.
- Business strategy integration skills.

Studying Scenarios

In this Strategic High-Performance Leadership Training, participants develop skills through the following scenarios:

- Leading organizational transformation initiatives.
- Managing underperforming teams to achieve targets.
- Making strategic decisions under pressure.
- Aligning departmental goals with corporate strategy.
- Resolving leadership conflicts in executive settings.
- Driving performance improvement in competitive markets.
