Leadership Ethics & Professionalism for Managers

Ref: 121527_1084124 **Date:** 11 – 15 January 2027 **Location:** Lisbon (Portugal) **Fees:** 5600 Euro

Introduction

Effective leadership today extends beyond operational success to encompass ethical decision-making, professional integrity, and responsible governance. This Leadership Ethics & Professionalism for Managers course equips participants with the critical knowledge required to lead with accountability, transparency, and credibility in complex organizational environments. It explores the principles of ethical leadership, corporate responsibility, and professional conduct while addressing modern challenges, including compliance, stakeholder trust, and organizational culture. Participants will examine how ethical frameworks influence leadership behavior and decision-making processes across industries. The program emphasizes integrating professionalism standards with leadership strategies to ensure sustainable performance and reputational excellence. Managers will possess a structured understanding of how to align ethical values with business objectives and leadership effectiveness.

Targeted Groups

This Leadership Ethics & Professionalism for Managers training targets professionals seeking knowledge and skills:

- Mid-level managers are responsible for team leadership.
