Ref: 121583_1084945 **Date:** 11 – 15 July 2027 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4600 Euro

Introduction

The HR Leadership Skills for Strategic Decision-Making course strengthens HR professionals' and organizational leaders' ability to make informed, data-driven, and strategically aligned decisions in dynamic business environments. It explores how human resource leadership contributes to organizational growth, workforce stability, talent management, and long-term business sustainability. Participants examine modern HR leadership practices, strategic workforce planning, employee engagement approaches, and performance-driven decision models that support business transformation. The program focuses on analytical thinking, leadership communication, conflict resolution, organizational behavior, and evidence-based HR management practices that improve operational effectiveness. Through practical frameworks and real-world business scenarios, participants develop the ability to align human capital strategies with corporate objectives and organizational priorities. Participants gain advanced knowledge in strategic HR leadership, workforce decision-making, leadership development, and organizational performance improvement.
