International Trade Law Practice Under WTO Training Conference

Ref: 8017_257555 **Date:** 7 – 11 February 2027 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4600 Euro

Introduction

International business is increasingly conducted under the influence of a growing body of international law. These set the framework for international trade and competition in trade to remove unnecessary barriers. The World Trade Organisation WTO has been at the forefront of establishing global trading practices.

Still, other multilateral and bilateral agreements need to be considered. This WTO International Trade Law conference provides an introduction to this legal framework for the non-specialist.

Importance of WTO in International Trade

The World Trade Organization WTO is a pivotal institution in facilitating and regulating international trade. Understanding the importance of WTO in international trade is crucial for professionals and organizations engaged in global commerce.

This WTO International Trade Law conference will delve into the operations of the WTO, examining its role in creating an environment that permits fair competition on an international scale.
