MERCURY

Certified ISO 9001:2015 Lead Auditor Training

Ref: 15073_274754 **Date:** 1 – 5 August 2027 **Location:** Online **Fees:** 1900 Euro

Introduction:

Develop the knowledge and skills required to fully audit an organization's Quality Management System QMS to ISO 9001:2015 to gain the confidence to audit a QMS using internationally recognized best practice techniques. Demonstrate your commitment to quality by transforming your existing auditor skills to ISO 9001:2015. Consolidate your expertise with the latest developments and contribute to the business's continuous improvement.

You'll grasp the key principles and practices of effective QMS audits in accordance with ISO 9001:2015 and ISO 19011 Guidelines for auditing management systems. You'll then proceed through the entire audit process using a step-by-step approach, from initiation to follow-up.

You'll gain the knowledge and skills to undertake and lead a successful management systems audit. Learn to describe the purpose of an ISO 9001:2015 QMS audit and satisfy third-party certification. Acquire the skills to plan, conduct, report, and follow up a QMS audit that establishes conformity and enhances overall organizational performance.

Understanding the ISO 9001 Lead Auditor:

This ISO 9001 lead auditor training course instills a comprehensive understanding and capabilities in leading an audit, making it an exceptional choice for professionals seeking to demonstrate their proficiency with the ISO 9001 lead auditor course to obtain ISO 9001 certified lead auditor training.
