An Integrated Course on Contract Excellence for Non-Legal Professionals

Ref: 15903_337604 **Date:** 23 August – 3 September 2027 **Location:** Barcelona (Spain) **Fees:** 9500 Euro

Introduction:

This Contract Excellence for Non-Legal Professionals course equips non-legal professionals with the skills and knowledge to manage contracts in any industry. Contract management is a crucial aspect of business operations, yet many professionals need more legal expertise for optimal contract execution. It bridges that gap, providing practical insights into contract creation, negotiation, compliance, and risk management.

Participants will learn to navigate the complexities of contracts, ensuring they can contribute to contract success, minimize legal risks, and enhance organizational performance. This Contract Excellence for Non-Legal Professionals training course will focus on real-world applications and empower non-legal professionals to handle contracts confidently and competently.

This Contract Excellence for Non-Legal Professionals program equips non-legal professionals with a solid understanding of business contract law and the tools needed for excellence in contract management. It is tailored specifically for non-lawyers and offers practical legal training, focusing on drafting, reviewing, and developing skills to navigate complex contracts confidently.

Participants will gain invaluable insights into contracts for non-lawyers, fostering a deeper understanding of essential principles through structured contracts for non-lawyers training sessions. This Contract Excellence for Non-Legal Professionals training course is ideal for anyone looking to excel in managing and interpreting business agreements effectively.

Targeted Groups:

- Project Managers.
- Procurement Professionals.
- Operations Managers.
- Supply Chain Managers.
- Finance and Budgeting Professionals.
