Human Resources Operations and Employees Services

Ref.: 15994_1001850 **Date:** 17 - 21 Aug 2026 **Location:** Lisbon (Portugal) **Fees:** 5600 **Euro**

Introduction to the Human Resources Operations and Employees Services:

The Human Resources Operations and Employees Services course provides an in-depth understanding of the key HR functions that drive organizational success. It focuses on essential HR operations, including employee relations, talent management, HR processes, and legal compliance. Participants will explore how HR operations contribute to business efficiency, workforce productivity, and employee satisfaction.

By mastering core HR processes, attendees will develop strategic approaches to optimize HR operations and employee services. The Human Resources Operations and Employees Services course integrates practical insights into HR operations, from recruitment and onboarding to compensation and benefits administration. It emphasizes employment laws, HR compliance, and ethical responsibilities in managing workforce services.

Participants will learn how to enhance HR services through digital transformation and HR technology solutions. The Human Resources Operations and Employees Services program covers performance management, conflict resolution, and leadership development, ensuring HR professionals can address modern workforce challenges effectively.

Through case studies, hands-on exercises, and interactive discussions, the Human Resources Operations and Employees Services training equips professionals with actionable skills in HR operations management. Whether they are new to HR or experienced professionals, it enhances their ability to streamline HR operations and deliver impactful HR services for employers.

Targeted Groups:

This Human Resources Operations and Employees Services training course targets professionals seeking specialized knowledge and skills. It is designed for:

- HR professionals looking to advance their expertise in HR operations duties.
- HR operations managers aiming to optimize HR service delivery.
- Business leaders who oversee HR and operations management.
- Recruiters and talent acquisition specialists focusing on employment services in human resources.
- Operations management professionals involved in HR processes.
