

## Corporate Travel Risk Management and Duty of Care

18 - 22 Oct 2026  
Istanbul (Turkey)

# Corporate Travel Risk Management and Duty of Care

**Ref.:** 121300\_1026686 **Date:** 18 - 22 Oct 2026 **Location:** Istanbul (Turkey) **Fees:** 4900 Euro

## Introduction

Corporate travel today carries inherent risks, requiring organizations to protect employees and assets while ensuring business continuity. This course provides professionals with the knowledge and tools to identify, assess, and mitigate travel-related risks. Participants will understand legal and ethical obligations under duty of care policies. It emphasizes strategic planning, crisis management, and the integration of travel risk frameworks. The course combines theoretical principles with practical examples to enhance decision-making. By the end, learners will confidently manage corporate travel risks while safeguarding their workforce.

## Targeted Groups

This Corporate Travel Risk Management and Duty of Care course targets professionals seeking specialized knowledge and skills:

- Corporate travel managers
- Risk management officers
- Health and safety coordinators
- HR professionals responsible for employee well-being
- Security and compliance specialists
- Business continuity managers
- Executive assistants coordinating corporate travel

## Course Objectives

Participants will achieve the following objectives by completing the Corporate Travel Risk Management and Duty of Care course:

- Understand travel risk assessment methods
- Learn duty of care obligations and legal requirements
- Identify potential security, health, and logistical risks
- Develop corporate travel policies and procedures
- Apply risk mitigation strategies for global travel
- Integrate technology in travel risk monitoring
- Handle travel emergencies effectively
- Promote employee safety and well-being
- Enhance decision-making in dynamic travel environments
- Strengthen organizational resilience during crises

## Targeted Competencies

Participants will gain the following competencies during the program:

- Conduct thorough risk assessments for corporate trips
- Implement travel safety protocols and compliance measures

- Apply duty of care standards in daily operations
- Manage crises and emergency response plans
- Coordinate cross-border travel risk management
- Use travel risk intelligence and monitoring tools
- Communicate travel policies effectively to employees
- Evaluate and improve travel risk management strategies
- Integrate corporate travel with organizational risk frameworks

## Studying Scenarios

In this training, participants will develop their skills through the analysis of the following scenarios:

- Responding to medical emergencies abroad
- Handling travel disruptions due to political unrest
- Managing natural disaster impacts on business trips
- Assessing threats to employee security in high-risk regions
- Implementing evacuation and repatriation plans
- Monitoring global travel alerts for corporate travelers
- Evaluating vendor and partner compliance with travel policies
