Strategic Executive Leadership & Influence

Ref.: 121487_1034720 **Date:** 02 - 06 May 2027 **Location:** Manama (Bahrain) **Fees:** 4900 Euro

Introduction

This Strategic Executive Leadership & Influence course develops advanced capabilities in strategic executive leadership and high-impact organizational influence within complex business environments. It focuses on strengthening executive presence, decision-making agility, and leadership communication skills required at senior management levels. Participants will explore how to align leadership behavior with organizational strategy to drive sustainable performance. The program emphasizes building credibility and trust with stakeholders across diverse organizational structures. It integrates modern leadership practices with practical frameworks for executive influence used in global organizations. Ultimately, it prepares leaders to navigate uncertainty while leading transformation with clarity and authority.

Targeted Groups

This Strategic Executive Leadership & Influence training targets professionals seeking knowledge and skills:

- Senior executives are responsible for organizational direction and leadership strategy.
- Middle managers preparing for executive leadership roles.
- Team leaders aiming to strengthen executive presence.
- Project managers are involved in strategic decision-making.
- HR leaders focused on leadership development programs.
- Consultants supporting organizational transformation initiatives.
- Business owners are managing growth and influence strategies.

Course Objectives

Participants will achieve the following objectives by completing the Strategic Executive Leadership & Influence course:

- Understand principles of strategic executive leadership in modern organizations.
- Develop strong executive presence and leadership communication skills.
- Apply strategic thinking to complex business challenges.
- Enhance decision-making leadership in high-pressure environments.
- Build effective strategies for stakeholder management and influence.
- Strengthen organizational leadership strategy alignment.
- Improve ability to lead cross-functional teams effectively.
- Master leadership influence techniques for senior roles.
- Apply executive influence models in real business contexts.
- Increase capability in driving organizational transformation.
- Strengthen negotiation and persuasion skills in leadership settings.
- Develop clarity in vision-driven leadership execution.

Targeted Competencies

Participants will gain the following competencies during the Strategic Executive Leadership & Influence program:

- Executive decision-making under uncertainty.
- Strategic leadership and organizational alignment.
- Leadership communication and influence skills.
- Stakeholder engagement and management capability.
- Executive presence and authority building.
