Strategic Conflict & Emotional Intelligence Leadership

Ref.: 121490_1034829 **Date:** 26 - 30 Jul 2026 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4600 Euro

Introduction

The Strategic Conflict & Emotional Intelligence Leadership course equips leaders with advanced capabilities to manage workplace tensions and transform conflict into productive outcomes. The course explores how emotional awareness enhances decision-making and strengthens leadership influence across diverse organizational environments. It provides a structured understanding of human behavior, communication patterns, and leadership psychology in high-pressure situations. Participants will learn how emotional intelligence directly impacts strategic conflict management and team performance. The program emphasizes practical leadership responses that reduce escalation and improve collaboration. It builds the ability to lead with clarity, empathy, and strategic control in complex organizational dynamics.

Targeted Groups

This Strategic Conflict & Emotional Intelligence Leadership training targets professionals seeking knowledge and skills:

- Team leaders and supervisors in organizations.
- HR professionals managing workplace conflict.
- Project managers handling cross-functional teams.
- Executives responsible for organizational culture.
- Department heads in high-pressure environments.
- Consultants in leadership development fields.
- Professionals in communication and negotiation roles.
- Individuals seeking emotional intelligence leadership growth.

Course Objectives

Participants will achieve the following objectives by completing the Strategic Conflict & Emotional Intelligence Leadership course:

- Understand the foundations of strategic conflict management in organizations.
- Develop emotional intelligence leadership for better decision-making.
- Identify the causes of workplace conflict and the patterns of escalation.
- Apply conflict-resolution skills effectively in professional environments.
- Strengthen leadership communication in challenging situations.
- Enhance emotional self-regulation during high-stress interactions.
- Build trust-based relationships within teams and departments.
- Improve negotiation techniques for sustainable workplace solutions.
- Analyze behavioral responses to reduce organizational friction.
- Integrate emotional intelligence into leadership strategy planning.
- Develop proactive approaches to prevent workplace disputes.

Targeted Competencies

Participants will gain the following competencies during the Strategic Conflict & Emotional Intelligence Leadership program:

- Emotional self-awareness in leadership contexts.
- Strategic conflict analysis and resolution thinking.
- Effective workplace communication under pressure.
- Leadership, empathy, and emotional regulation skills.
- Negotiation and influence in complex environments.
- Decision-making in conflict-driven scenarios.
- Team behavior interpretation and response strategies.
- Crisis communication and conflict de-escalation techniques.
- Relationship management across diverse teams.
- Organizational harmony and performance alignment skills.

Studying Scenarios

In this Strategic Conflict & Emotional Intelligence Leadership training, participants develop skills through the following scenarios:

- Managing conflict between high-performing team members.
- Handling emotionally charged employee disputes professionally.
- Leading negotiations during organizational restructuring situations.
- Resolving communication breakdowns in cross-department projects.
- Addressing resistance to leadership decisions in teams.
- De-escalating tension during crisis-driven workplace challenges.
