Kuala Lumpur (Malaysia)

# Transformational Leadership Emotional Intelligence Leaders Course

**Ref.:** 121535\_1036815 **Date:** 28 Feb - 04 Mar 2027 **Location:** Kuala Lumpur (Malaysia)  
**Fees:** 4600 Euro

## Introduction

This Transformational Leadership Emotional Intelligence Leader course develops advanced leadership capabilities by integrating transformational leadership principles with emotional intelligence competencies. It focuses on enabling leaders to inspire, influence, and elevate individuals and teams within complex organizational environments. Participants will explore how emotional awareness and behavioral adaptability shape the effectiveness of high-impact leadership. The program emphasizes the practical application of leadership theories in real-world professional contexts. It strengthens strategic-level decision-making, communication, and relationship management. It builds leaders who can drive sustainable performance, engagement, and organizational transformation.

## Targeted Groups

This Transformational Leadership Emotional Intelligence Leaders course targets professionals seeking knowledge and skills:

- Senior managers aiming to enhance leadership effectiveness.
- Team leaders responsible for performance and engagement.
- HR and organizational development specialists.
- Project managers leading cross-functional teams.
- Executives focused on strategic transformation initiatives.
- Coaches and consultants in leadership development.
- Emerging leaders preparing for executive roles.

## Course Objectives

Participants will achieve the following objectives by completing the Transformational Leadership Emotional Intelligence Leaders course:

- Understand the core principles of transformational leadership and the integration of emotional intelligence.
- Develop self-awareness to strengthen leadership behavior and decision-making quality.
- Apply emotional intelligence tools to improve team motivation and trust.
- Enhance communication strategies for influence and alignment.
- Build conflict management and negotiation capabilities in leadership contexts.
- Strengthen adaptability in dynamic and uncertain business environments.
- Design leadership approaches that foster organizational growth and innovation.
- Evaluate leadership impacts through performance and behavioral indicators.

## Targeted Competencies

Participants will gain the following competencies during the Transformational Leadership Emotional Intelligence Leaders program:

- Advanced emotional intelligence in leadership settings.
- Strategic communication and influence capabilities.
- Conflict resolution and negotiation proficiency.
- Transformational leadership application in teams.
- Decision-making under pressure and complexity.
- Change leadership and organizational adaptability.

## Studying Scenarios

In this Transformational Leadership Emotional Intelligence Leaders training, participants develop skills through the following scenarios:

- Leading a team through organizational restructuring and resistance management.
- Managing performance conflicts using emotional intelligence frameworks.
- Driving innovation within a low-motivation department.
- Negotiating stakeholder alignment during strategic change initiatives.
