Transformational High-Performance Leadership Strategy

Ref.: 121554_1037694 **Date:** 21 - 25 Jun 2027 **Location:** Lisbon (Portugal) **Fees:** 5600 Euro

Introduction

The Transformational High-Performance Leadership Strategy course prepares professionals with the advanced frameworks required to lead organizations toward sustainable success in competitive environments. It explores how leadership vision, strategic thinking, and performance alignment contribute to long-term organizational growth. It focuses on developing the ability to inspire teams while maintaining measurable business outcomes and operational excellence. Participants will gain a structured understanding of how to build high-performance teams through leadership transformation and strategic execution. The program examines how modern leadership approaches influence organizational culture, innovation, and resilience. Learners will apply leadership strategies that drive performance improvement, employee engagement, and business transformation.
