# Coaching for Individual Performers

**Ref.:** 121723\_1044344 **Date:** 02 - 06 Nov 2026 **Location:** Dar es Salaam (Tanzania) **Fees:** 5300 Euro

## Introduction

This Coaching for Individual Performers course provides a structured understanding of coaching for individual performers in professional and organizational contexts. It focuses on developing the ability to guide, support, and enhance personal performance through practical coaching approaches. Learners will explore how performance gaps are identified and addressed using targeted coaching conversations. The program highlights methods for improving motivation, accountability, and skill development in individuals. It emphasizes behavioral change strategies that lead to measurable performance improvement. It builds a strong foundation for effective one-to-one coaching in various work environments.

## Targeted Groups

This Coaching for Individual Performers training targets professionals seeking knowledge and skills:

- Managers coach direct reports in daily work tasks.
- Team leaders are improving individual employee performance.
- HR professionals supporting talent development programs.
- Supervisors handling performance improvement cases.
- Coaches and mentors guide personal growth journeys.
- Project leaders manage individual accountability.
- Trainers supporting workplace learning initiatives.
- Organizational development staff enhancing performance systems.

## Course Objectives

Participants will achieve the following objectives by completing the Coaching for Individual Performers course:

- Understand core principles of individual performance coaching.
- Identify performance gaps using structured assessment tools.
- Apply coaching models for behavior improvement.
- Develop effective one-to-one coaching conversations.
- Strengthen listening and questioning techniques.
- Enhance motivation and accountability in individuals.
- Design simple performance improvement plans.
- Measure coaching impact on performance outcomes.

## Targeted Competencies

Participants will gain the following competencies during the Coaching for Individual Performers program:

- Conduct structured coaching sessions.
- Analyze individual performance challenges.

- Apply feedback techniques effectively.
- Build trust in coaching relationships.
- Use goal-setting methods for performance growth.
- Support behavioral change processes.
- Improve communication in coaching dialogues.
- Track and evaluate coaching results.

## Studying Scenarios

In this Coaching for Individual Performers training, participants develop skills through the following scenarios:

- Coaching an employee with low productivity issues.
- Supporting a team member struggling with motivation.
- Handling performance underachievement cases.
- Guiding a high-potential employee for growth.
- Resolving communication gaps in coaching sessions.
- Improving accountability in individual tasks.
- Addressing resistance to feedback situations.
