Performance Management and Performance Appraisals

Ref.: 121744_1045351 **Date:** 20 - 24 Sep 2026 **Location:** Online **Fees:** 1900 Euro

Introduction

The Performance Management and Performance Appraisals course improves employee productivity, aligning workforce efforts with business goals and supporting long-term organizational growth. It provides an understanding of performance evaluation systems, appraisal techniques, and continuous performance improvement methods. Participants explore modern approaches to employee performance management, goal setting, and talent development. The program focuses on building fair, measurable, and strategic appraisal processes that strengthen workforce engagement. It covers key performance indicators, feedback systems, and performance review methods. Participants will understand how to design and manage effective performance appraisal systems that drive organizational success.
