# Executive HR & Talent Acquisition Transition

**Ref.:** 121776\_1046978 **Date:** 13 - 24 Dec 2026 **Location:** Kuala Lumpur (Malaysia) **Fees:** 8000 Euro

## Introduction

This Executive HR & Talent Acquisition Transition course provides an understanding of how modern human resources leadership evolves within executive environments and strategic organizations. It focuses on transforming traditional HR functions into data-driven, technology-enabled, and leadership-oriented systems. Participants will explore how talent acquisition aligns with business growth, organizational agility, and long-term workforce sustainability. The program highlights the integration of advanced recruitment strategies with executive decision-making frameworks. It emphasizes aligning HR operations with corporate strategy and competitive market demands. It introduces emerging technologies, including AI-driven recruitment systems, shaping the future of HR excellence.

## Targeted Groups

This Executive HR & Talent Acquisition Transition training targets professionals seeking knowledge and skills:

- HR directors and senior HR leaders driving transformation.
- Talent acquisition managers optimize recruitment strategy.
- HR business partners manage workforce planning and succession.
- Learning and development specialists supporting capability building.
- Organizational development professionals focusing on HR digital transformation.
- Recruitment consultants and executive search professionals.
- HR analytics and AI recruitment specialists supporting data-driven hiring.

## Course Objectives

Participants will achieve the following objectives by completing the Executive HR & Talent Acquisition Transition course:

- Understand strategic HR transformation and executive talent acquisition frameworks supporting organizational agility and leadership effectiveness in complex business environments.
- Design workforce planning and succession pipelines aligned with organizational goals and long-term talent sustainability for future-ready organizations.
- Apply modern recruitment strategies, including digital and AI-driven hiring tools, to improve the efficiency of talent acquisition by leveraging automation and analytics.
- Evaluate HR analytics for data-driven decision-making and performance optimization across executive hiring processes for strategic HR decisions.
- Manage employer branding and candidate experience in competitive markets to attract high-quality leadership talent within global talent markets.
- Integrate AI into recruitment automation and talent screening processes to enhance speed, accuracy, and fairness in the transformation of executive recruitment.

## Targeted Competencies

Participants will gain the following competencies during the Executive HR & Talent Acquisition Transition program:

- Strategic HR leadership aligned with organizational goals and agility.
- Executive workforce planning supporting long-term talent sustainability.
- Talent acquisition lifecycle management across global recruitment markets.
- Recruitment strategy optimization for competitive executive hiring.
- HR digital transformation enabling modern workforce systems.
- AI integration in hiring processes to improve automation and accuracy.
- Performance measurement systems supporting continuous HR improvement.
- HR analytics interpretation for evidence-based decision-making.
- Stakeholder communication strategies in complex executive environments.
- Employer branding management to attract and retain top executive talent.

## Studying Scenarios

In this Executive HR & Talent Acquisition Transition training, participants develop skills through the following scenarios:

- Executive hiring simulation and talent mapping in corporate transformation contexts.
- AI-based recruitment system evaluation using modern AI tools.
- Workforce restructuring and succession planning case for organizational change readiness.
- HR analytics dashboard interpretation exercise to support strategic decisions.
