Mergers and Acquisitions Training Course

Ref.: 15223_242772 **Date:** 23 Sep - 04 Oct 2024 **Location:** Madrid (Spain) **Fees:** 8500 Euro

Introduction:

This Mergers and Acquisitions M&A training course will equip participants with the necessary skills and knowledge to navigate and execute successful transactions, even during challenging times for business growth. It touches on the definition of M&A and delves into the complexities of the M&A process.

Companies are increasingly considering acquisitions as a strategic avenue to catalyze their growth as they face limited opportunities for organic expansion. However, the arduous financial conditions today pose additional challenges for managers in deriving value from these ventures. Stakeholders and investors often scrutinize deviations between projected and actual outcomes of mergers and acquisitions, emphasizing the importance of meticulous planning and execution in the M&A process.

Participants will learn to confront these challenges head-on by mastering the art of due diligence, understanding the key drivers of business valuation, and creating a comprehensive 100-day integration plan. Practical strategies will formulate for successful mergers and acquisitions that meet investors' demands and withstand market scrutiny.

Targeted Groups:

- General Management.
- Financial Management.
- Legal Management.
- Human Resource Managers.
- Strategic Managers.
- Bank Credit Managers.
- This Mergers and Acquisitions M&A course is for anyone involved in identifying, planning, and executing an M&A opportunity.

Course Objectives:

By the conclusion of this mergers and acquisitions training course, participants will be capable of:

- Construct a compelling acquisition strategy.
- Conduct a thorough application of principles related to due diligence.
- Navigate common pitfalls associated with due diligence.
- Comprehend business valuation drivers and apply them effectively.
- Formulate a 100-day post-merger integration strategy.
- Identify lucrative M&A opportunities.
- Execute the initial steps in a merger or acquisition, including preliminary agreements.
- Perform in-depth due diligence of a target entity.
- Differentiate and understand the implications of the Share Purchase Agreement SPA and Asset Purchase Agreement APA.
- Play an instrumental role in a merger or acquisition's negotiation and completion phases.
- Facilitate a seamless post-merger integration to ensure continuity and efficiency in the new organization.
