Procurement Best Practices (Customized)

Ref.: 15176_242856 **Date:** 20 - 24 Oct 2024 **Location:** Dubai (UAE) **Fees:** 3900 **Euro**

Introduction:

The Procurement function has developed from a simple administrative function to a fully-fledged strategic business unit. No longer is it sufficient to simply turn requisitions into orders and then await the delivery of the goods or services. It is therefore imperative for Procurement to constantly deliver value to the organization by delivering products and services that contribute to the well-being of the organization.

To do this, Best Practices have to be implemented on four levels: Strategic, Tactical, Operational, and Contingency

This seminar will address the necessary conditions at all four levels for those delegates who want to implement high-performing Procurement functions.

Targeted Groups:

- Contracts Personnel
- Purchasing Personnel
- Procurement Personnel
- Project, Engineering, Operational, and Maintenance, Personnel who are involved in the planning, and execution of purchases and contracts
- All involved in the acquisition of materials, equipment, and services and who are in organizations whose leadership want high levels of competency in those involved in these activities

Course Objectives:

At the end of this course the participants will be able to:
