# Developing Personal Effectiveness with Positive Skills

**Ref.:** 1013\_245517 **Date:** 17 - 21 Nov 2024 **Location:** Online **Fees:** 1500 **Euro**

## Introduction

Developing personal effectiveness is one of the major cornerstones to achieving professional development and excellence in the corporate world. As S. N. Bremer eloquently stated, Self-mastery is the most important task for human development. This course delves into the essence of personal effectiveness, personal skills training, and effective personal productivity, aiming to cultivate a disciplined, proactive, and positive mindset. This course is a holistic approach to personality development and communication skills, offering you the tools to develop personal effectiveness and maximize your potential in both personal and professional settings.

## What is Personal Effectiveness?

Personal effectiveness is a measure of one's ability to set and achieve goals, manage time and resources, and communicate with clarity and impact. This course illuminates the various dimensions of personal effectiveness, incorporating personal efficiency, leadership development, and effective communication to bolster professional growth.
