Creative Thinking, Effective Leadership, and Outstanding Management to Achieve Goals

Ref.: 15042_246967 **Date:** 22 - 26 Jul 2024 **Location:** Geneva (Switzerland) **Fees:** 5500 Euro

Introduction:

Some leaders excel in strategic planning, deep thinking, and vision, and many exercise creativity in training, motivation, aid, facilitation, and helping others. However, institutions require leaders who are strategic planners and competent in interpersonal communication skills to apply their ideas. Collaborative leaders need a clear vision of communication.

Some may be born leaders by instinct, but anyone in management or consulting can improve his leadership performance if he works on it. Regardless of your strengths in these competencies, this course on effective leadership and creative thinking for management success will help you strengthen your leadership effectiveness.

This effective leadership and creative thinking for management success course will bolster your leadership's effectiveness. It provides in-depth insights, new ideas, tools, and skills to develop management effectiveness for strategic and cooperative abilities. This experience goes beyond lectures, addressing modern concepts, tools, and essential issues tailored to the participants' business activities and circumstances.
