Enterprise Resource Planning (ERP)

Ref.: 15183_247891 **Date:** 29 Sep - 03 Oct 2024 **Location:** Dubai (UAE) **Fees:** 4500 **Euro**

Introduction:

Does every department in your organization submit reports that are different?

Due to data mismatches, do you find it difficult to understand the challenges of your business?

ERP or Enterprise Resource Planning is the answer to most of the business needs. It is software used by businesses to manage the routine activities of all the departments of an organization. Once the day-to-day activities are streamlined, it helps in boosting the revenue and productivity of the company.

This course on Enterprise Resource Planning ERP by ZOE Talent Solutions will help you to drive business productivity. This will also help you address the tasks and challenges at any stage or module of your business strategy timely and thus ensure the success of your organization's blueprint.
