TQM Continuous Improvement Internal Auditing Reporting Skills

Ref.: 15121_251721 **Date:** 27 Apr 2025 - 20 May 0001 **Location:** Kuala Lumpur (Malaysia)
Fees: 3900 Euro

Introduction:

The TQM continuous improvement and internal audit report writing course will provide participants with comprehensive knowledge of the history and evolution of the concept of quality and the history of quality gurus and tools.

The TQM continuous improvement and internal audit report writing course will focus on applications of quality systems, models, and methodologies, including excellence awards, ISO systems, and breakthrough improvement methodologies such as Lean and Six Sigma.

This TQM continuous improvement and internal audit report writing course will help participants apply powerful quality tools in leading organizations. Participants will leave with best practices for selecting, designing, or using quality organizational structures and tools.

Internal Audit Report Writing Skills in TQM Continuous Improvement:

Developing practical internal audit report writing skills is crucial for auditors to communicate the findings of their audits and recommend actionable improvements. This TQM continuous improvement and internal audit report writing course will delve into the purpose of an internal audit report, the definition of the internal audit report, and how to craft reports that align with the concept of continuous improvement by TQM.

Participants will learn internal audit report writing training methodologies that enhance the quality of their reporting while fostering continual improvement in TQM. The TQM continuous improvement and internal audit report writing program aspires to help attendees master internal audit report writing skills and implement continuous improvement strategies within their organizations by leveraging TQM principles.

Targeted Groups:

- Managers.
- Supervisors.
- Quality Management.
- Individuals are engaged in quality models, awards, ISO, and TQM implementation, as well as improving organizational performance.
