Advanced Strategic Management & Leadership Course

Ref.: 3049_253471 **Date:** 09 - 20 Dec 2024 **Location:** Munich (Germany) **Fees:** 8500 **Euro**

Introduction:

To managers and leaders moving into a significant leadership position, you face the challenge of developing and executing strategies in a dynamic global environment. You must build a team and manage internal and external resources and relationships so that your organization can enhance your value chain and deliver results. As the leader, you are in charge and need to enhance your impact and influence to meet these challenges. Only a system-wide view of your business and the world in which it operates can help you to become an effective, operational, and visionary leader.

The advanced strategic management and leadership program will help you build the skills you need to boost performance in your business today and prepare your organization to sustain performance in the future.

Distinctive aspects of advanced leadership into the strategic management discourse, this advanced strategic management and leadership course provides insights for seasoned leaders to navigate complex business landscapes effectively.

The advanced strategic management and leadership course participants will deeply evaluate management and leadership strategies, fostering an environment that encourages strategic leadership and innovative thinking and augmenting their strategic management and leadership skills.

By the end of this advanced strategic management and leadership course, leaders will have a theoretical understanding, practical skills in advanced strategic management, and an acknowledgment of the significance of certification in leadership and management.
