London (UK)

The Strategic Leader: Strategic Planning, Negotiation & Conflict Management Conference

Ref.: 8180_253893 **Date:** 10 - 21 Feb 2025 **Location:** London (UK) **Fees:** 9300 **Euro**

Introduction:

This strategic leadership, planning, and conflict management conference brings together the key strategic leadership skills of strategic planning, negotiation, and conflict management required to succeed in today's complex and challenging business environment.

Our sessions delve into the art and science of strategy, simplifying complex concepts for practical application. Participants will learn how to become strategic planning leaders adept at negotiation and conflict management skills paramount in steering organizations through the tumultuous waters of today's competitive environment.

Strategic leadership training is integral for top management and anyone aspiring to leadership roles. It forms the bedrock of what sets successful strategists apart: control over unfolding events and the adept creation of advantageous opportunities.

This strategic leadership, planning, and conflict management conference offers a comprehensive deep dive into strategic leadership's core competencies. It aims to equip participants with essential skills in strategic planning, leadership, negotiation, and conflict management, all crucial requirements for triumph in the intricate landscape of modern business. These skills are the foundation upon which strategic leadership is built. They are indispensable for any leader who guides their team or organization towards success.

Targeted Groups:

- Managers are across various levels of seniority.
- Supervisors and Team Leaders.
- Aspirational employees are seeking comprehensive knowledge for career enhancement.

Develop Strategic Leadership Skills:

This strategic leadership conference, which incorporates practical exercises, real-world case studies, and interactive workshops, provides a unique opportunity for professional development. Our program is designed to offer a graduate certificate-caliber experience akin to undertaking a master's in strategic management and leadership.

Participants will emerge from this conference with a clearer vision of strategic leadership and management, equipped with the knowledge of how to develop strategic leadership skills and ready to apply them in leading their teams and organizations toward their strategic goals. This intensive program is both a strategic leadership workshop and a seminar, a complete package for current and aspiring strategic leaders.

Participants in this strategic leadership, planning, and conflict management conference will learn to transform their strategic leadership development plan into action and harness the full power of leadership and strategic planning.

Conference Objectives:

By the end of this strategic leadership, planning, and conflict management conference, attendees will have achieved the following objectives:

- Challenge their preconceptions about strategic planning, negotiation, and conflict management.
- Understand the content of strategy - unraveled, demystified, and translated into everyday language.
- Implement the strategic planning process and get real value out of the process.
- Analyze the much-misunderstood concept of win-win negotiation.
- Learn the essential tools and practical skills for planning and managing the negotiation and conflict process, thereby developing the ability to negotiate value-creating solutions.
- Learn the key stages in the process, provide a takeaway toolkit for each stage, and delegate.
- Apply to management issues, learn option generation, opportunity cost, choice, and implementation phases of strategy.
- Understand the process of change, planning, organizational strategy, and change.
