Negotiation and Conflict Management in Organizations Course

Ref.: 1108_254573 **Date:** 07 - 11 Apr 2025 **Location:** Amsterdam (Netherlands) **Fees:** 4900 Euro

Introduction

Negotiating effectively and managing conflict is one of the most valuable skill sets we can develop within our organization. Mastery of these competencies broadens our capabilities in conflict negotiation training and securing advantageous deals, skillfully overseeing teams, engaging positively with colleagues, and implementing effective conflict resolution through negotiation strategies.

This negotiation and conflict management in organizations course provides a thorough strategic analysis of the negotiation process and essential conflict management in negotiation tools for planning and executing every negotiation. Delegates will come away with the knowledge to secure excellent outcomes externally with suppliers, contractors, and customers and internally within the organization among colleagues, departments, and managers.

Targeted Groups

- Managers.
- Supervisors.
- Team leaders.
- Also, this negotiation and conflict management in organizations course is suitable for all the staff.

Course Objectives

Upon completing this negotiation and conflict management in organizations course, participants will be able to:

- Gain self-awareness of their negotiation and conflict management style.
- Comprehend a thorough analysis of the conflict and negotiation in organizational behavior.
- Learn how to achieve collaborative, value-adding negotiation outcomes.
- Broaden their range of negotiating and managing conflict skills programs.
- Utilize a three-step planning guide for negotiation preparation.
- Develop the skill to mediate disputes, thus becoming a more skilled negotiator.
- Enhance their ability to cultivate value through the negotiation process.
- Build upon existing experience to become an efficacious negotiator and conflict manager.
- Improve the capacity to negotiate and manage challenging situations internally within and with external third parties.
- Increase knowledge and self-assurance to approach negotiations collaboratively.
- Strengthen key relationships while maximizing negotiated outcomes.
- Enhance vital leadership and personal skills affecting their performance across all professional aspects.
- Heighten their capacity to broker deals that fulfill or surpass organizational goals.

Targeted Competencies

- Leadership skills.
- Negotiation skills.
- Mediation skills.
- Conflict management.
