Strategic Workforce Planning Recruitment & Selection Course

Ref.: 3015_256425 **Date:** 30 Jun - 04 Jul 2025 **Location:** Munich (Germany) **Fees:** 4900 Euro

Introduction

This unique strategic workforce planning recruitment and selection course provides participants with all they need to know about the new manpower planning cycle, Human Resource Planning HRP.

This dynamic area has become integral in today's human resources departments and, in some cases, has become a specialized department. The new manpower planning iterations require modern skills, innovative tools, and advanced software.

This strategic workforce planning course will equip you with the knowledge and capabilities to achieve remarkable results.

Through the comprehensive exploration of these subjects, participants in the strategic workforce planning recruitment and selection course will thoroughly understand workforce planning and recruitment and how to apply strategic workforce planning principles in real-world HR scenarios.

Targeted Groups

- HR managers.
- HR supervisors.
- HR professionals.
- HR business partners.

Course Objectives

By the end of this strategic workforce planning course, participants will be able to:

- Utilize the new linear strategic model for effective manpower planning.
- Calculate and produce persuasive results from manpower data, including predictive trends.
- Understand each component of the manpower model, from data collection and analysis to succession planning.
- Design organizational charts and ratios with expertise.
- Select appropriate software for predictive trend analysis and forecasting.
- Construct a business process map and engage in business process re-engineering.
- Grasp the fundamental principles of job analysis and evaluation.
- Carry out comprehensive job analysis interviews.
- Draft detailed job descriptions based on rigorous analysis.
- Advocate for job evaluation as an essential tool for ensuring internal consistency and fairness.

Targeted Competencies

At the end of this strategic workforce planning recruitment and selection course, the target audience will be able to improve:

- Working with people.
- Relating and networking.
- Presenting and communicating.
- Applying expertise and technology.
- Persuading and influencing.
- Analytical thinking.
- Following instructions and procedures.
- Business writing.
