Purchasing Techniques, Negotiating & Cost Reduction Workshop

Ref.: 8228_259661 **Date:** 07 - 11 Oct 2024 **Location:** London (UK) **Fees:** 5200 **Euro**

Introduction:

Today, it is common for more than 50% of an organization's revenue to be spent on goods and services, everything from raw materials to overnight mail. So, when the goal is to increase earnings by lowering costs, world-class organizations scrutinize their purchasing strategies closely.

In this purchasing technique, negotiating, and cost-reduction workshop, success in purchasing hinges on recognizing potential opportunities for cost reduction in purchasing and procurement and, more crucially, on the knowledgeable implementation of methods, processes, and techniques integral to achieving genuine cost-reduction strategies in procurement.

Participants will delve into proven cost reduction techniques, including targeted approaches to purchasing cost reduction and implementing cost reduction programs. Through interactive sessions, attendees will learn negotiation skills designed explicitly for buying contexts, enabling them to navigate complex negotiations with confidence and finesse.

Targeted Groups:

- Purchasing Supervisors.
- Purchasing Managers.
- Buyers.
- Senior buyers.
- Personnel need to understand the purchasing function.

Workshop Objectives:

By the end of this purchasing technique, negotiating, and cost-reduction workshop, participants will be able to:

- Learn how to advance towards world-class purchasing cost reduction.
- Understand the data mining process and develop strategic plans for procurement cost reduction.
- Recognize the application of cost-reduction techniques and strategies in procurement.
- Comprehend the process for developing a purchase price index and benchmarking.
- Understand procedures for reporting cost improvements and conducting a cost reduction program.
- Explore the nuances between Cost Reduction vs. Cost Avoidance.
- Assess supplier prices using purchasing negotiation techniques.
- Minimize low-value activities and utilize time effectively to reduce purchasing costs.
- Implement best practices in qualifying suppliers and engaging in procurement negotiation.
- Appreciate the critical role of planning in successful negotiations and the negotiation skills of purchasing professionals.
- Negotiate critical issues in various contract clauses with improved purchasing negotiation skills.

Targeted Competencies:

At the end of this purchasing technique, negotiating, and cost-reduction conference, the target participants will be able to:

- Developing spend profiles.
- How do they prioritize their time for maximum benefit?
- Find cost reduction opportunities.
- Evaluate prices.
- Understand supplier pricing structures.
- Develop purchasing strategic plans.
- Plan for negotiations.
- Define issues.
- Understand the Total Cost of Ownership.
- Conduct negotiations.

Understanding Purchasing Techniques, Negotiation Skills, and Cost Reduction:
