Vienna (Austria)

# Corporate Financial Planning, Budgeting & Control Conference

**Ref.:** 8077\_259980 **Date:** 03 - 07 Mar 2025 **Location:** Vienna (Austria) **Fees:** 4900 **Euro**

## Introduction

This corporate financial planning and budgeting training is designed to enable delegates to make corporate financial decisions in an increasingly volatile international marketplace to increase profitability, maintain liquidity, and reduce financial risk.

The module follows the growth of a company from the development of a strategic corporate financial plan, the raising of finance, the preparation and management of budgets to support the plan, the management of financial risk, and, ultimately, the measurement and evaluation of performance.

The corporate financial planning, budgeting, and control conference is designed as a training workshop to equip financial personnel, decision-makers, planners, and analysts with a deep understanding and practical skills in corporate financial planning and budgeting.

This engaging corporate finance conference will explore controlled financial corporations' strategies for increasing profitability, maintaining liquidity, and reducing financial risk.

## The Corporate Financial Planning Process: Best Practices

The conference also integrates a focus on the corporate financial planning process, exploring the best practices in establishing robust financial planning corporate frameworks. From utilizing the most influential corporate financial planning tools, such as financial models and cash flow forecasting, to fostering a mindset attuned to strategic imperatives, attendees will gain insight into how leading finance professionals construct and refine plans that steer their organizations toward sustained success.
