Tendering, Procurement, and Negotiation Skills Training

Ref.: 4034_265923 **Date:** 23 - 27 Jun 2024 **Location:** Online **Fees:** 1500 **Euro**

Introduction:

This comprehensive tendering, procurement, and negotiation skills training course will equip participants with the expertise to manage effective tendering and procurement activities within their organizations. Enhancing their negotiation skills is pivotal in ensuring successful outcomes in procurement processes.

Tendering is a crucial function that can greatly impact an organization's financial health, necessitating precise execution to maximize effectiveness and manage costs. Leadership in contemporary organizations understands that proficiency in managing tenders is essential for augmenting revenue.

This tendering, procurement, and negotiation skills program combines the essentials of tendering with procurement skills, aiming to identify and implement the best practices during the early stages of the contracting process. The intention is to enable participants to take the necessary steps to generate optimal total value for their organizations through effective procurement negotiation training and an in-depth understanding of the tendering process.

Effective procurement negotiation is the linchpin for achieving favorable contract terms and building valuable supplier relations. In this segment tendering, procurement, and negotiation skills course, participants gain hands-on experience in procurement negotiations, learning to leverage techniques that encompass both the strategic and tactical aspects of negotiation within procurement settings.

The tendering, procurement, and negotiation skills training covers various negotiation scenarios with practical exercises, ensuring that procurement professionals leave with a sharpened negotiation skill set appropriate for various procurement contexts.

Targeted Groups:

- Contracts professionals.
- Purchasing professionals.
- Project planning personnel.
- Procurement professionals who are responsible for negotiations.
- This tendering, procurement, and negotiation skills training course is for other individuals involved in planning, evaluating, preparing, and managing tenders, specifications, and procurement activities who seek to achieve excellence in these areas within their organizations.

Course Objectives:

Upon completion, participants in this tendering, procurement, and negotiation skills course should be able to:

- Discuss elements of a good procurement process.
