Advanced Emotional Intelligence

Ref.: 15168_268112 **Date:** 03 - 07 Mar 2025 **Location:** Rome (Italy) **Fees:** 4900 **Euro**

Introduction:

People with emotional intelligence are usually more successful in life. This is because they manage themselves better and they get along with other people much more easily compared to those who are easily emotionally stressed. Emotional excellence is characterized by the ability to understand and control their emotions, motivated to succeed in their endeavors, able to empathize and communicate effectively.

This course equips leaders with skills to help their teams deliver organizational goals. You will learn how to manage your soma body, psycho thoughts and feelings, and pneuma the spiritual heart to develop emotional excellence in your life. You will also develop skills to help your employees be open to new ideas and communicate effectively. If you've mastered this, you've mastered life.

Targeted Groups:

All leaders who want to create an emotionally excellent workplace that is productive
