## Introduction

Developing leadership skills is more than learning to be a good manager. Outstanding leadership is, first and foremost, an “inside job”. Before we can lead others with influence and confidence, we must find the inner qualities and strengths to lead ourselves with conviction. From this perspective, leadership manifests our unique personal power, purpose, and vision.

The inner journey of leadership mastery is a two-part program that focuses precisely on developing those vast inner resources we all possess.

## The Journey of Self-Discovery in Leadership

Embarking on a journey of self-discovery is crucial for personal mastery in leadership. This self-discovery course lays the foundation for participants to become evocative leaders who understand the value of their leadership capital index and emotional intelligence in primal leadership.
