Creative Strategic Planning and Leadership Training Conference

Ref.: 8186_270342 **Date:** 01 - 12 Sep 2024 **Location:** Amman (Jordan) **Fees:** 5200 **Euro**

Introduction:

This creative, strategic planning and leadership conference is designed to provide leaders and professionals with transformational tools and techniques to help them maximize their own and their team's creative potential in strategic contexts. It starts with self-discovery: Participants will work on the inside first and then focus outwards to impact the business world.

The first week of this two-week seminar will focus on thinking differently. In this strategic planning and creative leadership seminar, participants should be prepared to move out of their comfort zones and experiment with new ways of creating and communicating an inspiring leadership vision.

The second week helps demystify the often misunderstood concept of 'strategy.' While focusing on the analytical disciplines upon which successful strategy is based, the workshop centers on strategic planning as a value-adding process that harnesses the leader's and the team's ability to blend analysis with creative thinking and enables ideas and plans to be nurtured into reality.

Harnessing Creative Strategy in Strategic Planning:

This strategic planning and creative leadership training aims to bridge the gap between abstract strategic concepts and practical implementation by incorporating elements of creative leadership and creative strategy into strategic planning. Participants will be empowered to formulate strategic plans and develop creative approaches to leadership and problem-solving within their organizational contexts.

Targeted Groups:

- Head of departments.
- Managers at all managerial levels.
- Supervisors and Team Leaders.
- Project managers.

Conference Objectives:

By the end of this strategic planning and creative leadership conference, participants will be able to:

- Demonstrate innovative methods for harnessing others' creative potential.
- Communicate their vision in refreshing and engaging ways.
- Define the concepts of 'strategy' and 'strategic plans.'
- Understand and explain visionary thinking as part of the strategic process and apply strategic planning to their management issues.
- Place their part of the organization within the overall context of corporate strategy.
- Gain confidence in managing their contribution to strategic implementation.
- Increase career flexibility vertically and horizontally
- Accelerate thinking speed and problem resolution for dilemmas.
- Understand the impact of operational specialization on corporate strategy.
- Improve team working capabilities in analyzing and solving strategic problems creatively.
- Improve skills in ensuring the most effective impact of individual specializations.
- Greater motivation through multiple organizational levels

Targeted Competencies:

By the end of this strategic planning and creative leadership conference, target competencies will:

- Leadership skills.
- Strategic planning.
- Strategic thinking.
- Innovation.
