Public Relations & Corporate Communications in the Banking Area

Ref.: 15190_270711 **Date:** 28 Oct - 01 Nov 2024 **Location:** Paris (France) **Fees:** 4900 Euro

Introduction:

Public Relations and Corporate Communications are fundamental to operational excellence and reputation management within the banking sector. In this highly scrutinized industry, effective communication strategies are vital. Modern methods, tools, and channels have greatly expanded the capacity for rapid interaction from a local to a global scale, making bank public relations a pivotal aspect of daily operations.

In this banking public relations and corporate communications course, we incorporate the intricate understanding of public relations and corporate communication within the banking area, allowing participants to master the concepts and applications necessary to navigate the dynamic financial communications landscape. The curriculum is designed to provide a hands-on approach, combining theoretical knowledge and practical skills essential for communicating effectively with key stakeholders and the public in banking.

This banking public relations and corporate communications course demystifies the complexity of banking communications through a series of interactive modules. It illustrates corporate communication and public relations in the banking world and how these practices can be refined and executed with precision to achieve the desired corporate outcomes.

Targeted Groups:

- Corporate Communications Practitioners and/or Managers.
- Public Relations Officers and/or Managers in Banking.
- Marketing Officers and/or Managers.
- Digital and Social Media Specialists.
- Internal Communications Practitioners.
- Professionals looking to enhance public relations in banking.

Course Objectives:

At the end of this banking public relations and corporate communications course, participants will be able to:

- Set Corporate Affairs within a forward-thinking, strategic, and effective framework in the banking area.
- Gain insights into building stakeholder programs for continual, targeted communication.
- Explore the evolution of Corporate Affairs and public relations tools in banking.
- Comprehend the development of robust communication strategies, plans, and tactics and how to coordinate them effectively.
- Assess the role of research in crafting communication strategies tailored to the banking sector.
- Acquire the reputation management tools and techniques needed to handle the complex media environments in the banking industry.
- Manage knowledge within the organization for effective media and public relations.
- Influence external perceptions of the bank through first-class internal communications.
- Formulate a strategic plan for corporate communication and public relations in the banking sector.

Targeted Competencies:

By the end of this banking public relations and corporate communications training, target competencies will:

- Plan, organize, and leadership skills in corporate communication.
- Control and evaluate communication strategies.
- Know how to write proficiently and tailor communication to public relations in banking.
