Managing & Motivating Towards Excellence: Skills, Competencies, Traits & Techniques

Ref.: 8093_271119 **Date:** 03 - 07 Nov 2024 **Location:** Cairo (Egypt) **Fees:** 3000 **Euro**

Introduction:

To create high levels of customer satisfaction and achieve the organizational mission, organizations must become One Big Team Working Together. Everyone must contribute their ideas, working together as internal customers.

The radical shift in the management paradigm necessitates that leaders and professionals recognize the importance of motivation in management. They must encourage and motivate employees to contribute their ideas, harness their potential, and adopt a major change of role.

In the post-industrial command and control era, business demands a new breed of leader who couples technical skills with people leadership, the ability to manage motivation, deploy motivation skills for managers, and utilize management motivation techniques to foster excellence.

A vital component of management is effecting change within an organization. This segment will tackle the challenge of change management motivation, providing leaders with strategies to encourage adaptability and resilience among employees during transitional periods.

Techniques of Motivation in Management for Managers and Supervisors:

This management motivation techniques and skills conference delves into the pivotal role of motivation in management. Managers will learn about various motivational techniques for managers, which are essential to enhance employee engagement and productivity. By understanding the type of motivation in management, attendees will be better equipped to drive their teams toward achieving organizational goals.

Participants in this management motivation techniques and skills conference will explore various motivation techniques in management and how they can be practically applied within their teams. Techniques such as setting clear goals, providing rewards and recognition, and ensuring a supportive work environment will be discussed.

Supervisors in this management motivation techniques and skills conference will gain insights into effectively motivating their subordinates and building a high-performance culture. These tactics involve directives but also hinge on the supervisor's ability to empathize with team members and understand their intrinsic motivators.
