Managing Vendor Qualification, Performance & Contract Compliance Conference

Ref.: 8203_274262 **Date:** 06 - 20 Apr 2025 **Location:** Manama (Bahrain) **Fees:** 3900 Euro

Introduction:

Are we doing the right things? Despite all our efforts, deliveries must be on time, over budget, and below performance. How we approach our procurement has a marked effect on the result; therefore, we must ensure we use the right processes and criteria when selecting our suppliers.

This vendor management performance and contract compliance seminar will use the system approach to demonstrate the optimal method for vendor qualification, enhance performance, and ensure contract compliance. This aligns with objectives in vendor manager training and emphasizes the importance of contract compliance training for improving procurement processes.

Professional Development & Vendor Management Conclave:

This vendor management performance and contract compliance conference is part of the vendor management training certification process and is designed to equip professionals with the necessary skills to effectively manage vendor relationships and ensure adherence to contract compliance.

This professional development opportunity contributes to earning a vendor management certification, which is recognized as one of the best in the industry. Attendees will leave with a deeper understanding of vendor qualification and contract compliance principles.

In this specially designed vendor management conference, we shall facilitate immersive workshops and seminars for professionals to dive deep into vendor training. These vendor workshops and vendor seminars are tailored to resonate with the intricacies of managing vendors efficiently.

Participants will gain hands-on experiences that will empower them with strategic insights and operational tactics for managing vendor performance in their organizations. This segment of the vendor management performance and contract compliance conference significantly enhances the value quotient for all stakeholders involved in vendor management.

Targeted Groups:

- Contracts, Procurement, and Project Personnel.
- Engineering, Operational, Quality, and Maintenance Personnel.
- All others involved are interfacing with contractors or suppliers to acquire materials, equipment, parts, and services or anyone who wants to improve supplier performance and gain successful outcomes from contracting situations.

Conference Objectives:

By the end of this vendor management performance and contract compliance conference, participants will be able to:

- Cover the vital steps in a proper supplier evaluation.
- Match customer requirements with the correct supplier segmentation.
- Develop meaningful performance measures.
- Learn how to use those performance results for continuous improvement.
- Cast the net wide enough to ensure an adequate number of suppliers to select from.
- Select only the best suppliers to participate.
- Measure their performance objectively.
- Ensure that they perform according to expectations.

Targeted Competencies:

By the end of this vendor management performance and contract compliance conference, participants' competencies will:

- Vendor selection.
- Vendor integration.
- Vendor performance management.
- Sourcing strategies.
- Leadership.
- Communication.
