# Competency-Based Management Training Course

**Ref.:** 3017\_274333 **Date:** 08 - 12 Jun 2025 **Location:** Dubai (UAE) **Fees:** 3900 **Euro**

## Introduction

The role of competency-based management is to get the best from people, which is a complex and challenging task. Understanding behavior, ensuring the right people are in the right jobs, and motivating them are critical to running a successful team or department.

Competency-based management plays a substantial role in addressing these challenges. This course will introduce you to competency-based management and training concepts and demonstrate how to apply them to achieve remarkable productivity and job performance.

## Targeted Groups

- Head of departments, managers, supervisors, and team leaders.
- HR managers.
- HR professionals.
- ER professionals.
- Persons responsible for managing or supervising any person, group, or team, especially within a competency-based HR management framework.
- This competency-based management training course is for people who want to learn how to improve relations, productivity, or behavior at work.

## Course Objectives

By the end of this competency-based management training course, participants will be able to:

- Define what a competency is and understand the distinction between competencies, skills, and tasks.
- Describe the application of competencies in public and private organizations, enhancing the competency-based HR management system.
- Distinguish between leadership, technical, and behavioral competencies.
- Connect competencies to organizational objectives and values, managing what staff do and how they do it based on a competency-based management system.
- Utilize competencies for various HR functions, including recruitment, assessment, development, talent management, performance management, and succession planning.

## Targeted Competencies

At the end of this competency-based management training course, the target audience will be able to improve the following:

- The management of values - “walking the talk.”
- Leadership development within a competency-based management framework.
- Selection criteria and methods aligned with a competency-based program.
- Talent management and career planning through competency-based HR management.
- Succession planning employs a competency-based approach.
- Performance management with a focus on competencies.
- Assessment based on competency benchmarks.
- Employee development within a competency-based training system.
