## Introduction:

It has been said that all business is a dialogue. The ability of people at all organizational levels to create and maintain a rich conversation with each other and other companies ultimately makes business successful. That conversation relies on excellent communication skills. The best and most charismatic leaders are abundantly skilled communicators, able to coordinate and lead their teams because they create an environment in which others genuinely want to work. The best and most skilled coordinators can manage time, people, and priorities, influence at all levels, and still display a sense of leadership, making others want to follow them.
