Applied Social Media and Communication Skills Program

Ref.: 5044_278495 **Date:** 14 - 20 Apr 2025 **Location:** Boston (USA) **Fees:** 5500 **Euro**

Introduction

This social media and communication skills course covers the essentials of amplifying your business and reputation through social media. You'll learn how to generate excitement and engage with audiences across all the key social media platforms. As an intermediate-level course, it's crafted for those with a background in communications or public relations.

The social media and communication skills course aims to elevate your abilities so you can devise strategic approaches and employ advanced techniques. This social media and communication skills program is tailored for communication professionals seeking to harness social media's power effectively.

Targeted Groups

The social media and communication skills program is designed for Public Relations and Marketing Professionals at all levels who are responsible for implementing strategies and tactics for engagement with online communities via social media on behalf of their organizations.

Course Objectives

By the end of this social media and communication skills course, participants will be able to:

- Devise and implement an online PR and communications strategy to enhance the organization's digital presence.
- Engage stakeholders and launch influential campaigns on Facebook, the predominant online social media platform.
- Establish and curate a YouTube channel as a central hub for video content, including vlogging, podcasting, and multimedia dissemination.
- Fine-tune online content for optimal visibility in Google searches through the application of Search Engine Optimisation SEO.
- Utilize Twitter and micro-blogging tools for intelligence gathering, outreach, engagement, and crisis communication in the realm of social media.

Targeted Competencies

Upon the end of this social media and communication skills course, the participants will be able to:

- Mastery of Search Engine Optimisation SEO.
- Proficient with various social media platforms.
- Crisis management and response.
- Enhance PR skills.
- Understand advanced marketing skills and abilities.
- Refine communication skills across social media channels.
