Strategic Planning, Development & Implementation Course

Ref.: 1007_281687 **Date:** 13 - 17 Oct 2024 **Location:** Kuala Lumpur (Malaysia) **Fees:** 3900 Euro

Introduction

Effective strategic leadership is primary to the future success of any organization. This starts with defining a clear strategic vision - setting out the leadership teams strategic intent for the organization and its various businesses. Creating and implementing your strategic plan requires translating this vision into an agenda for action - not merely a strategic plan but a strategic roadmap setting out where the business needs to go. This empowers managers at all levels, enabling them to make the many decisions they need to make with a clear understanding of where the business is heading. Organizational development strategic planning is critical in this process.

In this strategic planning training course, strategic leaders and first-line professionals will learn how to develop, implement, and structure the changes necessary to make a new strategy, vision, or mission work efficiently in today's dynamic environment. The course will focus on developing and implementing core strategies to make the organization reach its vision or targets. Strategic implementation tools will be explored to drill deeper into the organization, developing techniques that get the workforce on board with changes encouraging them to participate in working out problems and implementing new strategies.

Effective Strategic Implementation

The process of strategic implementation is a significant emphasis in this course. It involves the translation of strategic plans into actionable objectives and actions. Participants will delve into monitoring progress, adapting to new challenges, and ensuring that every team member understands their role in achieving the organization's strategic goals.

Throughout this course component, participants will explore ways to engage teams, develop solutions for potential issues, and leverage key performance indicators to assess and guide the effectiveness of their strategic implementation plan.
