13 - 17 Jul 2026  
Boston (USA)

# PRINCE2® Foundation and Practitioner Training

**Ref.:** 15015\_291789 **Date:** 13 - 17 Jul 2026 **Location:** Boston (USA) **Fees:** 7500 **Euro**

## Introduction:

This PRINCE2 foundation and practitioner course gives participants a comprehensive overview of the PRINCE2® methodology. It will enable candidates to apply and tailor the PRINCE2® principles, themes, and processes to enhance project productivity and operational functioning.

This comprehensive PRINCE2 foundation and practitioner course delineates how to improve a project's operational performance. It will ensure that a candidate can work within a PRINCE2® team, fundamentally ameliorating project practices.

## What is the Difference Between PRINCE2 Foundation and Practitioner?

When embarking on the journey of obtaining the PRINCE2 certification, it is crucial to recognize the nuances between the Foundation and Practitioner levels the PRINCE2 Foundation and Practitioner levels to provide a tiered certification path for aspiring project management professionals.

The Foundation level offers an introduction to the PRINCE2 methodology, laying the groundwork for understanding the core principles and terminologies used in PRINCE2. On the other hand, the Practitioner level delves deeper, equipping individuals with the expertise to apply and adapt PRINCE2 techniques to various project scenarios.

Certification in PRINCE2 foundation and practitioner at both levels signifies a comprehensive mastery of PRINCE2. It showcases an individual's dedication to adhering to best practices in project management.
