Purchasing Techniques, Negotiating & Cost Reduction

Ref.: 4010_292333 **Date:** 04 - 08 Nov 2024 **Location:** Madrid (Spain) **Fees:** 4900 Euro

Introduction:

In the swiftly advancing business landscape, organizations increasingly scrutinize their purchasing and procurement strategies as a significant portion of their revenue—often more than 50%—is invested in goods and services. From raw materials to expedited shipping services, the call to boost profits through strategic cost reduction is a high priority.

This purchasing and negotiation strategy for cost reduction course is designed to propel attendees toward world-class performance in cost reduction by imparting a deep understanding of the effective methods, processes, and techniques utilized in purchasing and negotiating strategies.

Through engagement, participants in the purchasing and negotiation strategy for cost reduction course will learn not only about potential opportunities for optimization but also actively work towards implementing key strategies to realize tangible supply management savings.

Targeted Groups:

- Purchasing supervisors.
- Purchasing managers.
- Buyers.
- Senior buyers.
- This purchasing and negotiation strategy for cost reduction course is for personnel who seek to deepen their understanding of the purchasing function.

Course Objectives:

Participants will complete this purchasing and negotiation strategy for cost reduction course with the knowledge and skills to:

- Embark on the path to world-class cost reductions in purchasing and procurement.
- Master the processes involved in data mining and the development of strategic plans.
- Identify and leverage methods of cost improvement and purchasing cost reduction techniques.
- Establish and understand the role of the purchase price index in cost reduction strategies in procurement.
- Report and track cost improvements through a structured cost reduction program.
- Differentiate and evaluate the concepts of cost reduction vs. cost avoidance.
- Analyze and negotiate supplier prices using advanced purchasing negotiation techniques.
- Eliminate processes that add little value while focusing on core competencies.
- Implement best practices in qualifying suppliers and procurement cost reduction.
- Understand the importance of planning in successful negotiations.
- Understand the importance of rating and valuing the issues in a negotiation.
- Negotiate important issues in various contract clauses.

Targeted Competencies:

Participants in the purchasing and negotiation strategy for cost reduction course will develop skills in:

- Crafting detailed spending profiles.
- Prioritizing duties for maximum effectiveness.
- Identifying cost reduction opportunities.
- Evaluating and negotiating prices.
- Deciphering supplier pricing structures.
