Geneva (Switzerland)

Project Leadership in Action: Power, Influence, Politics, and Negotiations Conference

Ref.: 8263_292611 **Date:** 23 - 27 Sep 2024 **Location:** Geneva (Switzerland) **Fees:** 5500 Euro

Introduction:

Leadership in project management represents a journey of discovery, commencing with the revelation of your core strengths and extending to the cultivation and nurturing of an ideal leadership identity. This thereby escalates the success of your projects. This project leadership influence, politics, and negotiation skills conference aims to solidify your leadership identity, enabling it to weather all your decision-making and actions in your various projects.

This project leadership influence, politics, and negotiation skills conference addresses the critical need for interpersonal acumen in project management. It imparts valuable insights into using personal skills to sway others effectively, even beyond direct authority. It explores the essential skills and methodologies for poised and assertive influence, an indispensable aspect of project leadership.

The project leadership influence, politics, and negotiation skills event delves into the myriad aspects of leadership, from traits and behaviors to styles. It also touches upon interpersonal dynamics, motivation, team synergy, trust, and personnel empowerment. Through a seamless integration of concepts, we aim to amplify the prospects of your projects' triumph while ensuring your integrity remains intact.

The project leadership influence, politics, and negotiation skills conference's core is the art of negotiation, highlighting strategies for obtaining project necessities. Attendees will learn the nuances of influence tactics, leveraging personal power, and navigating organizational politics during various negotiating stages of a project.

What is Project Leadership?

Project leadership is about guiding a team towards achieving the shared goals of a project. It involves setting the vision, motivating team members, and steering the project through challenges to successful completion. This project leadership influence, politics, and negotiation skills conference provides project leadership training that helps you understand and grow these skills.
